Sponsored Read

To raise money for the Shree School in Rural Nepal so that they can buy books for their library.

Dear Parents,

This year, we have been encouraging the children to become courageous advocates for positive change in their own locality and through supporting national charities such as Children in Need. We have made links with a charity called LEARN (Life Changing Education for All in Rural Nepal). This will help us become courageous advocates for positive change at a global level.

Please help us to support this link school by sponsoring your child in a sponsored read. This is so we can send the money to Nepal and they will be able to buy lots of new books for their library.

You can sponsor your child by the number of books they read (or share if that is more age appropriate), or by the number of pages or chapters – it's entirely up to you.

This readathon will start on Monday 10th February and end on World Book Day, (March 6th) where the children can come to school dressed as a character from any book.

Please can all sponsor money be returned to school by Friday 14th March.

Many thanks

Mrs Abram
