KS2 School Swimming

Please can everyone bring some light weight long sleeved pyjamas to swimming on Tuesday 26th November for a water safety session

Swimming continues every Tuesday until the 17th December 2024.

Tuesday 10th December has been cancelled due to the School Christmas Nativity.

Please can children bring a named swimming bag with a towel, swimwear and a brush.

Girls are required to have a one piece costume.

Pupils with long hair should have it secured with a hair band/bobble or a swimming hat.

Boys should wear trunks or swim shorts above the knee with netting inside and not the bermuda/board short style.

Goggles for beginners should only be used in exceptional circumstances when chemicals in the water may have an adverse effect on pupil's eyes. For competent swimmers (25 metres+) goggles are advised as they help maintain the required body position and help improve vision through the water.

All jewellery, with the exception of religious artefacts, which can be made safe should be removed because of the potential for injury to the wearer and other children.

Healthy Snacks

To encourage healthy eating habits from an early age we are strongly encouraging our children to start eating fruit at break time. Please help us by sending children in with a piece of fruit or a healthy alternative each day or 20p to buy fruit. EYFS/KS1 receive 2 pieces of free fruit each day. Cake treats will only be allowed, or available to buy on a Friday for 50p.

Now that the weather is turning it is a good time for parents to familiarise themselves with some of the common illnesses that can disrupt children's studies or even cause more serious illness during the colder months

The following table provides guidance on some common childhood illnesses, and whether children need to stay off school*:

Illness	Recommendations
Chicken pox and shingles	Keep off school for five days from start of rash and until all the spots have crusted over
Cold sores	No need to be off school
Conjunctivitis	No need to be off school
Diarrhoea and vomiting	Keep off school until 48 hours after the last episode of diarrhoea or vomiting
Flu (influenza)	Children should return to school as soon as they have recovered
Glandular fever	No need to be off school
Hand, foot and mouth disease	It is not usually necessary to keep off school
Head lice (nits)	No need to be off school
Impetigo	Keep off school until lesions (spots) are crusted or healed or 48 hours after starting antibiotic treatment, whichever is shorter
Measles	Keep off school for four days from start of rash and until recovered
Molluscum contagiosum	No need to be off school
Mumps	Keep off school for five days from start of swollen glands
Ringworm	It is not usually necessary to keep off school
Rubella (German measles)	Keep off school for four days from start of rash
Scabies	Children can return to school after first treatment
Scarlet fever	Keep off school for 24 hours after starting antibiotic treatment
Slapped cheek / Fifth disease / Parvovirus B19	No need to be off school once rash has developed
Threadworms	No need to be off school
Warts and verrucae	No need to be off school
Whooping cough (pertussis)	Keep off school for two days after starting antibiotic treatment or 21 days from start of cough if no antibiotic treatment has been given
